The hearing officer's employment, performance evaluation, compensation and benefits shall not be directly or indirectly linked to the outcome of reviews or the revenue generated by such reviews.

Section 12 Appeal to Superior Court

A person who requests an administrative review and is not satisfied with the results of the review, may within 20 days after the mailing of the administrative review final decision, seek review by filing an appeal to the California Superior Court. The matter shall be heard de novo, except that the contents of the Processing Agency's file in the case on appeal shall be received in evidence. For the purpose of computing the 20-day period, Section 1013 of the Code of Civil Procedure shall be applicable. The Processing Agency shall admit into evidence as prima facie evidence of the facts stated therein, a copy of the Notice of Toll Evasion Violation and/or Delinquent Toll Evasion Violation. A copy of the notice of appeal shall be served in person or by first-class mail upon the Processing Agency by the contestant. The fee for filing the notice of appeal shall be the amount specified in Section 40256 of the Code. If the appellant prevails this fee, together with any deposit of the Penalty made by the contestant, shall be promptly refunded by the Processing Agency in accordance with the judgment of the court.

Section 13 Collection of Unpaid Penalties

If payment is not received within the time periods set forth herein, and no contest has been timely filed, or has been resolved in favor of Commission, Commission and the Processing Agency are authorized to proceed under one or more of the following options for the collection of unpaid Penalties:

- a) Transmit an itemization of unpaid Penalties to the Department for collection with the registration of the Vehicle. - b) If more than four hundred dollars (\$400) in unpaid Penalties have been accrued by any person or Registered Owner, Commission may file proof of that fact with the Superior Court with the same effect as a civil judgment. Execution may be levied and other measures may be taken for the collection of the judgement as are authorized for the collection of any unpaid civil judgment entered against a defendant in an action on a debt. The court may assess costs against a judgment debtor to be paid upon satisfaction of the judgment. The Processing Agency shall mail a notice by first-class mail to the person or Registered Owner indicating that a judgment shall be entered for the unpaid Penalties, fees and costs and that after 30 days from the date of the mailing of the notice, the judgment shall have the same effect as an entry of judgment against a judgement debtor. The person or Registered Owner shall also be notified at that time that execution may be

levied against his or her assets, liens may be placed against his or her property, his or her wages may be garnished, and other steps may be taken to satisfy the judgment amount. The notice shall include all information required by Code section 40267. The filing fee and any costs of the collection shall be added to the judgment amount.

- c) If the Processing Agency has determined that registration of the Vehicle has not been renewed for 60 days beyond the renewal date, and the Penalty has not been collected by the Department pursuant to section 4770 of the Code, file proof of unpaid Penalties with the court with the same effect as a civil judgment as provided above, except that if the amount of the unpaid Penalty is not more than four hundred dollars (\$400), the filling fee shall be collectible by the court from the debtor.
- d) Contract with a collection agency to collect the outstanding tolls and Penalty amounts.
- e) Submit a request to the California State Controller for an offset of unpaid Penalty amounts owing by a Motorist against any amount owing the person or entity by a claim for a refund from the Franchise Tax Board under Personal Income Tax Law or the Bank and Corporation Law or from winnings in the California State Lottery, as authorized by California Government Code section 12419.10. Commission shall provide a notice of intent to request an offset by first-class mail to the Motorist 30 days prior to the request date, or within such time as required by law.
- f) Pursue such other remedies and enforcement procedures that are authorized under laws of the State of California.

- a) Upon receipt of collected Penalties and administrative fees remitted by the Department under Section 4772 for that Notice of Delinquent Toll Evasion Violation.
- b) If the Notice of Delinquent Toll Evasion Violation was returned to the Processing Agency pursuant to section 4774 and five years have elapsed since the date of the Violation.

- d) If the Registered Owner of the Vehicle provides proof to the Processing Agency that he or she was not the registered owner on the date of the toll evasion violation.

- e) This section does not limit or impair the ability or the right of the Commission to pursue the collection of delinquent Penalties from the person who was the Registered Owner or lessee of the Vehicle on the date of the alleged Violation.

Section 15 Confidentiality

Any information obtained through the use of automated devices during the enforcement of Violations hereunder shall not be used for any purpose other than to identify and obtain the mailing address information of the Toll evasion violator in order to facilitate the serving of Notices of Toll Evasion Violations and Notices of Delinquent Toll Evasion Violations.

Section 16 Other Notices

Nothing herein shall prohibit the Commission or the Processing Agency from establishing informal methods of notifying Motorists of Violations and from collecting Tolls and Penalties for Violations through such means.

Section 17 Implementation

The Executive Director of the Commission is hereby authorized and directed to develop procedures, forms, documents and directives which may be necessary to implement the terms of this Ordinance and may delegate his/her duties and obligation under this Ordinance to the Toll Program Manager.

Section 18 Severability

If any term, covenant or condition of this Ordinance shall be held by a court of competent jurisdiction to be invalid or unenforceable, then the remainder of this Ordinance shall not be affected and each remaining provision shall be valid and enforceable to the fullest extent permitted by law unless any of the stated purposes of this Ordinance would be defeated.
