^[1] The intent of the holiday schedule is to offer tolls that reflect holiday traffic patterns. If Christmas, New Years or Fourth of July falls on a Tuesday, Wednesday, Thursday, or Friday, the regular Friday toll schedule will be used the day before the holiday. If the day after Christmas, New Years or Fourth of July is a Friday or Monday, it is assumed these are traditionally light traffic days, therefore, a reduced rate applies (Friday after Thanksgiving rate will be used). If Christmas, New Years or Fourth of July fall on Saturday, it is assumed the Friday before is a traditionally light traffic day; therefore the stated Christmas, New Years or Fourth of July holiday toll schedule applies. It is also assumed that the Thursday before is a heavy traffic day, therefore the regular Friday schedule applies. When reduced rates apply, the weekend HOV 3+ policy will be in effect.
